EXPERIENCE

Senior Artist

2006 - 2008 International Intimates, Incorporated, New York City, NY

Responsible for creating and designing characters, graphics, and patterns for clothing company. Designed packaging and marketing campaign for clothing line. Responsible for technical illustrations of garments, displays, sales presentations and production specifications.

Illustrator and Designer

2004 - 2006 Burlen Corporation, New York City, NY

Created and designed characters, graphics, and patterns for clothing company. Involved in production from initial brainstorming to sales presentations and production specifications.

Instructor

Summer 2003 Talent Search, Philadelphia PA

Created and taught web design curriculum for forty West Philadelphia Junior High School Students. Taught students basics of HTML, Dreamweaver, and graphic user interface design. Each student used these skills to create both a personal website and a site presenting an aspect of their education within the summer program.

Instruction Assistant and Tutor

2002 - 2004 University of Pennsylvania School of Design, Philadelphia, PA

Helped develop curriculum and teach university courses in digital imaging, typography, 3D animation, mixed-media animation, and drawing. Designed and presented software tutorials for Illustrator, Flash, Photoshop, After Effects, Maya, Quark, and Painter.

Comics Editor

2000 - 2002 34th Street Magazine, Philadelphia, PA

Developed weekly strip Terrell Quimby for alternative news magazine. Illustrated celebrity caricatures and other illustrations related to features and articles. Directed four-person team of cartoonists to produce weekly comics page. Recipient of national award for best comic strip.
